UNDERSTAND THIS COMPLETELY:

By consuming any information from Avanti Enterprises© through our websites, brands or associated information channels such as but not limited to email, messengers or social media - You agree to all policies below, and you agree that these policies may update at any time without notice. Therefore, you agree you are solely responsible to keep yourself updated on any and all current policies.

Income and Services Disclosure

We wanted to start by saying that Avanti Enterprises© does NOT provide income opportunities nor are any results discussed implied or guaranteed for any service we provide, teaching material or promoted third parties. Avanti Enterprises© provides services that bring prospects/leads to businesses, training to students in various education or sends potential traffic to third party affiliate offers and receives compensation for doing so.

We are often asked about what type of return is possible for people using Avanti Enterprises©'s services or training materials. Obviously, this depends on many factors like what industry you are in, your ability to make the most of your knowledge, your background as an individual, and many more factors that make every person different that are outside of our control. All of those

things and more are outside of the scope of what Avanti Enterprises© can do for you and assess for you. It's our goal to help you succeed, but we do not, nor can we, guarantee your success of any kind.

All services are provided "as-is" without any guarantee whatsoever and you agree to hold Avanti Enterprises© its brands, affiliates, partners, employees, owners, or anyone associated with us harmless for any non-desirable outcome or damages from using our services or education.

The information contained on any of our websites or training materials are matters of interest and are educational only. The application and impact of strategies, theories and laws can vary widely based on the specific facts involved. Given the changing nature of market forces, laws, rules and regulations, and the inherent hazards of communication, there may be delays, omissions or inaccuracies in information contained herein.

Accordingly, the information we may provide you is provided with the understanding that the authors and publishers are not herein engaged in rendering legal, accounting, tax, corporate finance, investment, banking, or other professional advice and/or services. As such, it should not be used as a substitute for consultation with professional accounting, tax, legal, corporate finance, investment, banking, or other competent advisors.

Before making any decision or taking any action, you should consult a professional advisor. While we have made every attempt to ensure that the information contained in any of our materials or services, our partner's materials or 3rd party's material is reliable Avanti Enterprises© is not responsible for any errors or omissions or for the results obtained from the use of this information. All information we provide is with no guarantee of completeness, accuracy, timeliness or of the results obtained from the use of this information, and is given without warranty of

any kind, express or implied, including, but not limited to warranties of performance, merchantability and fitness for a particular purpose.

In no event will Avanti Enterprises©, its related partnerships, corporations or other entities, or the partners, agents or employees thereof be liable to you or anyone else for any decision made or action taken in reliance on the information in our provided materials for any consequential, special or similar damages, even if advised of the possibility of such damages.

Certain information in our materials may have come from other sources (including websites) created and/or maintained by partnerships, corporations or other entities related to Avanti Enterprises© or by third parties unrelated to Avanti Enterprises©. As such, Avanti Enterprises© makes no representations as to the accuracy or any other aspect of the information we provide.

Affiliate and FTC Disclosure

Any income claims shared by our students, friends, clients or third parties and partners are understood to be true and accurate, but are not verified in any way. Any income claims may be typical of top performers and not all users and your results may vary.

Any products, programs, or personal recommendations made on our website(s) or other communication channels such as email, messengers, social media or any other such channel not mentioned here from Avanti Enterprises©, or from any of our owned brands, for 3rd parties may result in some form of compensation from said 3rd party.

Always do your own due diligence, consult a professional, and use your own judgment when making buying decisions and investments in your life/business.

The opinions expressed on our pages (websites or owned social media accounts) about any of these other companies not explicitly mentioned or about their products are our own and are not official statements of those companies or their parents companies.

Whenever you navigate through a link we have shared with you, and it takes you to an external website (not owned by us) with an offer to get something for free, buy a product, or opt-in with contact information for that said company should be assumed to have an affiliate relationship with us.

Any payments made to us by companies we refer you to does not impact the price you pay for any of their products/services, but a portion of the sale is shared with us, as the referring entity. It is possible we may have alternate financial relationships not described here; again, external sites or links you navigate to, from us, should always be assumed to have a financial partnership between us and them, unless otherwise indicated in marketing materials.

Financial Trading Disclosure:

Avanti Enterprises© and its brands or education related to financial trading, online marketing or “training” of any kind is purely educational only. Information contained throughout the site(s) or various communication channels it uses may be provided by sources that are not affiliated with Avanti Enterprises©. The accuracy, reliability of such information is believed to be reliable. However, Avanti Enterprises© does not warrant the accuracy, completeness, quality, adequacy, or content of any information we distribute. Such information is provided ‘as is’ without warranty or condition of any kind, either expressed or implied, including without limitation the implied warranties of merchantability or fitness for a particular purpose. The information consumed could include inaccuracies and/or typographical errors. The information provided at any time is general and is not tailored to any specific person. Reliance on any information is at user’s own risk. In no event will Avanti Enterprises© or its related partners, employees, affiliates, or owners or anyone else be liable for any direct, exemplary,

punitive, consequential, incidental, special or indirect damages arising from use of the information we provide. User agrees that Avanti Enterprises© does not make any representations or warranties, expressed or implied, with respect to the Trading Information, recommendations, or accuracy or completeness thereof, including, without limitation, any implied warranties or any warranties of merchantability, timeliness, quality or fitness for a particular purpose, and those arising by statute or otherwise in law or from any course of dealing or usage of trade. None of the Information constitutes a solicitation by Avanti Enterprises© to buy or sell any securities, options, futures or other investment products.

Past performances are not necessarily indicative of future results. There risk involved in futures, options, equities and Forex trading or any financial instrument and it is not suitable for everyone. The risk of loss in trading can be substantial. Leveraged trading is highly risky and may be illiquid. You should therefore carefully consider whether such trading is suitable for you in light of your financial condition, financial objectives and needs, financial resources, and other relevant circumstances. Generally foreign securities, options, futures and currency transactions involve exposure to a combination of the following risk factors: market risk, credit risk, settlement risk, liquidity risk, operational risk and legal risk. For example, there can be serious market disruptions if economic or political or other unforeseen events locally or overseas that can affect the market(s). In addition to these types of risk there may be other factors such as accounting and tax treatment issues that Traders should consider. Day trading can be extremely risky. Day trading generally is not appropriate for someone of limited resources and limited investment or trading experience and low risk tolerance. You should be prepared to lose all of the funds that you use for day trading or any trading for that matter. In particular, you should not fund trading activities with retirement savings, student loans, second mortgages, emergency funds, funds set aside for purposes such as education

or home ownership, or funds required to meet your living expenses.

Further, certain evidence indicates that an investment of less than \$50,000 will significantly impair the ability of a trader to make a profit. Of course, an investment of \$50,000 or more will in no way guarantee success. User represents that User understands, is aware of, willing and able to assume the risks described above. You will be solely responsible for decisions regarding the trading conducted in your account.

The information we provide is the property of Avanti Enterprises© and is protected by applicable copyright law. User agrees not to reproduce, re-transmit, disseminate, sell, distribute, publish, broadcast, circulate or commercially exploit our information in any manner without the express written consent of Avanti Enterprises© or anyone affiliated. Avanti Enterprises© reserves the right to terminate access to any information at any time, whether paid or free without notice or compensations or refunds.

By accessing our information you are acknowledging your understanding and consent to the foregoing and shall not hold Avanti Enterprises© liable.

Any income claims are typical of top performers not all users and your results may vary. Any results presented are from the testing and trading conducted by Avanti Enterprises©, as well as reported in testimonials from clients who may or may not have paid for it.

U.S. Government Required Disclaimer – Trading foreign exchange on margin carries a high level of risk, and may not be suitable for all investors. The high degree of leverage can work against you as well as for you. Before deciding to invest in foreign exchange you should carefully consider your investment objectives, level of experience, and risk appetite. The possibility

exists that you could sustain a loss of some or all of your initial investment and therefore you should not invest money that you cannot afford to lose. You should be aware of all the risks associated with foreign exchange trading, and seek advice from an independent financial advisor if you have any doubts. The purchase, sale or advice regarding a currency can only be performed by a licensed Broker/Dealer. Neither Avanti Enterprises©, nor any of his affiliates or associates involved in the in the production and maintenance of these products or sites, is a registered Broker/Dealer or Investment Advisor in any State or Federally-sanctioned jurisdiction. All purchasers or non purchasers of free information are encouraged to consult with a licensed representative of their choice regarding any particular trade or trading strategy. No representation is being made that any account will or is likely to achieve profits or losses similar to those discussed on this website. The past performance of any trading system or methodology is not necessarily indicative of future results.

Clearly understand this: Information disseminated from Avanti Enterprises© is not an invitation to trade any specific investment. Trading requires risking money in pursuit of future gain. That is your decision. Do not risk any money you cannot afford to lose. Any information provided does not take into account your own individual financial and personal circumstances. It is intended for educational purposes only and NOT as individual investment advice. Do not act on this without advice from your investment professional, who will verify what is suitable for your particular needs & circumstances. Failure to seek detailed professional personally tailored advice prior to acting could lead to you acting contrary to your own best interests & could lead to losses of capital.

CFTC RULE 4.41 – HYPOTHETICAL OR SIMULATED PERFORMANCE RESULTS HAVE CERTAIN LIMITATIONS. UNLIKE AN ACTUAL PERFORMANCE RECORD, SIMULATED

RESULTS DO NOT REPRESENT ACTUAL TRADING. ALSO, SINCE THE TRADES HAVE NOT BEEN EXECUTED, THE RESULTS MAY HAVE UNDER-OR-OVER COMPENSATED FOR THE IMPACT, IF ANY, OF CERTAIN MARKET FACTORS, SUCH AS LACK OF LIQUIDITY. SIMULATED TRADING PROGRAMS IN GENERAL ARE ALSO SUBJECT TO THE FACT THAT THEY ARE DESIGNED WITH THE BENEFIT OF HINDSIGHT.
